

Blest Be the Lamb

Arranged by Rebecca Dennison and Jamie Barnes

Verse 1

C

When I can read my title clear

Am F C

To mansions beyond this life,

C

I'll bid farewell to every fear,

Am G C

And wipe my weeping eyes.

Then I will bathe my weary soul

In seas of heav'nly rest,

And not a wave of trouble will roll

Across my peaceful breast.

Chorus

Am Em F C

Blest be the Lamb, my dearest Lord,

Am G C

Who bought me with his blood,

Am Em F C

And quenched his Father's flaming sword

Am G C

In his own vital flood

Verse 2

Should earth a war against me wage,

And hellish darts be hurled,

Then I can laugh at Satan's rage,

And face a frowning world

Blest Be the Lamb

Arranged by Rebecca Dennison and Jamie Barnes

The Lamb, He freed my captive soul
From Satan's heavy chains,
And sent the lion down to howl
Where hell and horror reign.

Chorus

Verse 3

Let cares like a deluge come,
And storms of sorrow fall,
May I but safely reach my home,
My God, my heav'n, my all!

Chorus x2
