

# Come and See

Words and Music by Whitney Bozarth

**Intro** Am F C

**Verse 1** Am F C  
Lost in darkness, in selfishness and pride  
Am F C  
All rebellious and blinded from the light  
Am F C  
We made idols in hopes that they would save  
Am F C  
All while running far away from grace.

**Verse 2** Heavy laden with chains from all our shame  
Condemnation was calling out our name  
Sorrows drowned out a hope of joy and peace  
Our hearts tainted with guilt and unbelief

**Pre-chorus** E Am  
Then he called us out of darkness  
F C/E D  
Into his wondrous light;  
E Am  
Yes, he called us out of darkness  
F C/E D  
Into his wondrous light.

**Chorus** F Am  
Come and see, come and see  
G/B C G Am F C  
Come and see what the Lord has done for us.  
C/E F Am  
Oh proclaim all you saints,  
G/B C G Am F C  
Oh proclaim all the wonders of his love.

**Verse 2** Though once strangers now we are made his own;  
Founded solely on Christ the Cornerstone  
Now the church stands as a chosen race,  
A holy people called to bear his name.
