

Over Death

Isaac Watts, Jesse Eubanks, Neil Robins, and Joel Gerdis

G^{#m} B E
I long for an overcoming faith
To cheer my dying hour
To triumph over the monster death
And all his frightful powers

Chorus

B G^{#m} E
Joyful, with all the strength I have
B G^{#m} E
My trembling lips should sing:
B/E^b G^{#m} E
“Where is your boast of victory grave?
B G^{#m} E
And where is the monster’s sting?”

If sin be pardoned and secure
Death has no sting beside
The law gives sin its damning power
But Christ my ransom died

Chorus

So let us praise the God of victory
Immortal hope for mortal flesh
So let us praise the God of victory
Who makes us conquerors of death
(repeat - 2nd time through is down)

Chorus
