

Waters of Forgiveness

Brooks Ritter

1

C

If my feet turn from all I know

Am D7 G

And seek the stone no man can hold

C Em F

There will I fall on grace alone

C G C

Holding the fringe of my Savior's robe

Clinging to Christ's own power I stand
His wounds supply what God demands
Loosed the snares of Satan's bands
Unlocked by the nails in my Savior's hands

CHORUS:

F Am

Hear the waters of forgiveness

C G G7

Sinner, drink and be refreshed

F Am

On our Maker all our sins were laid

C G

By His wounds our debts were paid

F G C

Come sinner find new life (Come sinner be alive) (ending only)

Calling children from darkness to light
No good within this heart of mine
Though work and wear come delight
In grace so free my Savior's side

When death's sure hand upon me rests
And life's ambitions in joy have passed
Behold the Son of righteousness
Kept strong to the end, by my Savior's pledge
