

# Bow

Jeremy Quillo

**F**                      **F/E**                      **E<sup>b</sup>**                      **B<sup>b</sup>**  
God of earth and sky, you have come, and you've shown us

**F**                      **F/E**                      **E<sup>b</sup>**      **B<sup>b</sup>** **B<sup>b</sup>/A**              **C**  
Everlasting light, and a hope that endures for all time

**D<sup>m</sup>**              **C**                      **E<sup>b</sup>**                      **B<sup>b</sup>**  
So I raise my voice with the sky and the sea  
Yes I raise my voice and say:

**F**  
All in Heaven will bow  
**B<sup>b</sup>** **B<sup>b</sup>/A** **C**              **B<sup>b</sup>**  
And the earth will cry out and sing  
**F** **B<sup>b</sup>** **F** **B<sup>b</sup>** **B<sup>b</sup>/A**      **C**  
"You are holy, holy, Lord Almighty"  
Holy, holy, Lord almighty

**F**                      **F/E**                      **E<sup>b</sup>**  
God of Heaven and earth, You have come,  
**B<sup>b</sup>**  
and You've saved us  
**F**                      **F/E**  
Your love is beyond words,  
**E<sup>b</sup>** **B<sup>b</sup>** **B<sup>b</sup>/A**      **C**  
and Your fame will forever endure

## Bridge

**F**              **C**      **B<sup>b</sup>**      **Gm**  
Lord, I come just as I am  
And I lay my treasures down  
I will dwell, dwell on Your glory  
I will dwell, dwell on Your glory
